And at the business meeting on March 17, 1990 held at the Tilton-Northfield Fire District Station:

4. To see if the Town will vote to raise and appropriate the sum of $45,475 to purchase a CAT 416 Backhoe.

There was a lengthy discussion concerning this

issue. Questions about the need for the backhoe, why this particular model, would it be better to lease, what is the life expectancy of machine, etc. Article was passed by standing vote 107 yes, 29 no.

5. To see is the Town will vote to raise and appropriate the sum of $17,000 to finance the cost of engineering and emergency repairs for the Vine Street Drainage Reconstruction Project and Emergency Repairs.

There was discussion explaining the problems on Vine Street and why this was necessary. The system is old and in need of repair. This appropriation is for engineering and doing a portion of the Drain that would hopefully cure the problem for now. The engineering study would be for the whole project. Whatever work is done on the drain this year would be done in a manner that would allow future work to connect to it. Article passed.

6. To see if the Town will vote to raise and appropriate the sum of $80,000 as the Town's portion of the State Department of Transportation's Aid Program for the anticipated costs of reconstruction of Shaker Road and Summer Street and to authorize the withdrawal of $80,000 from the Capital Reserve Highway Fund established in 1988 for this purpose, and to designate the Selectmen as agents to expend. Article passed.

7. To see if the Town will vote to raise and appropriate the sum of $13,000 for repair of the Union Church and Northfield Police Station and to authorize the withdrawal of $13,000 from the Capital Reserve Buildings and Equipment Fund established in 1966, and to designate the Selectmen as agents to expend. Article passed.

8. To see if the Town will vote to authorize the Town and its elected Trustees of Trust Funds to accept funds from John S. Woodward in the amount of $750.00, Sophie L. Copp in the amount of $250.00 and Victor Stanton in the amount of $300.00, totalling $1,300.00 for the purpose of perpetual care maintenance of cemetery lots located in Arch Hill Cemetery, said funds are to be held in the Cemetery Trust Fund with interest to be paid out annually to the Town of Northfield for said maintenance. Article passed.

9. To see if the Town will vote to raise and appropriate the sum of $4,000.00 for the Tilton-Northfield Recreation Building Fund.
Article passed.

10. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend Federal and State grants which may become available during the course of the year and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money. Article passed.

11. To see if the Town will vote to raise and appropriate the sum of $ 1,761,512 which represents the bottom line of the posted budget (MS-7) and pass any vote in relation thereto.

George Corliss moved to raise and appropriate $1,796,812 for the 1990 budget. Seconded. A motion to amend the budget to reinstate $1865 for Yap was made by Richard Smart and defeated.
A motion was made by Steve Bauer "to reduce the bottom line by $15,000 to $1,781,812 to eliminate the cost of living adjustment for town employees." motion seconded and after some discussion was defeated. The original motion as made by George Corliss passed.

12. To see if the Town will vote to direct the Selectmen to convey to the Tilton-Northfield Recreational Council, the following tract or parcel of land, described as follows "starting at concrete bound on southeast corner of Brian S. Roger's parcel, thence southerly along Summer Street 240 feet more or less, thence westerly 200 feet more or less, thence northerly 440 feet more or less, thence easterly 240 feet more or less, thence southerly 240 feet more or less, thence easterly 200 feet more or less, to the point of beginning." The conveyance described herein shall be made by deed conveying the entire fee, without restriction or reservation other than that the land be used exclusively for recreational purposes. The conveyance herein described shall be in place of, rather than in addition to, the conveyance authorized by vote of the Town Meeting on March 14, 1987. The conveyance shall be effected on or before April 1, 1990. (By petition).

Motion made by Lyle Knowlton same as above except to read "lease" rather than convey or conveyance and to be effected on or before June 1, 1990. Mr. Knowlton spoke to his motion explaining the need for more area than had been already approved by the town earlier. He also presented plans for the proposed building in three stages. There were many questions. A concern for the Pines was expressed. It was requested that no ground work or preparation be done until the Rec. Council actually has the money to begin building. Article passed.

13. To see if the Town will vote to allow the Selectmen to accept any roadway constructed as approved by the Planning Board, also to empower the Selectmen to receive lands and easements related to this construction. Article passed.

14. To see if the Town will vote to authorize prepayments of taxes and authorize the Tax

Collector to accept payments in prepayment of taxes. Article passed.

15. To see if the Town will vote to authorize the Tax Collector to discount by 2% any amount in taxes due when said taxes are paid within 30 days of the date of billing. Article passed.

16. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. Article passed.

17. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate that may be acquired through the Tax Collector's deeds. Article passed.

18. To see if the Town will vote to adopt an ordinance relating to a violation for animal owners who repeatedly let livestock run at-large.

An amendment to include cats was defeated as well as a motion to table the question. There was considerable discussion concerning the need for this particular ordinance. Article passed.

19. To see if the Town will vote to amend the Northfield Solid Waste Management Ordinance authorizing the Board of Selectmen to establish and amend fees and charges for disposal of tires, construction and demolition material and household appliances at the Northfield Transfer/Recycling Area.

After it was learned that the fees were to be paid in advance at the Town Hall, a motion was made by Tom Landry and seconded to include in this article "fees to be payable at the transfer area". Amendment passed and article with amendment passed.

20. To see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990 and to

set aside a day for public activities promoting preservation of the global environment and launching the "Decade of the Environment". Article passed.

21. To transact any other business.

A motion was made by Lyle Knowlton and seconded as follows:

I move that the Town of Northfield create an economic and industrial growth study committee to study, evaluate and make written recommendations to the following tasks:

A. To establish goals for the Town of Northfield in matters related to economic and industrial growth.

B. To identify, investigate and analyze all areas of potential economic and industrial growth within the Town of Northfield.

C. To review the Master Plan, town zoning ordinances, Planning Board ordinances, and policies set by the Selectmen that impact the economic and industrial development within the identified areas and to use the appropriate forums to implement changes or reinforce ordinances to promote the established goals.

D. To formulate and propose an "organization" or "government unit" that will most reasonably meet the established goals relative to the type of organization that may be created by RSA:162, sections A,E,G,J,K,L and/or any other legislation that might pertain to the established goals.

E. To solicit the aid of both the NH Office of Industrial Development, and the Office of State Planning in formulating procedures to achieve these goals.

F. To summarize all costs and potential revenue, grants, bonds and any other funding vehicle (both Federal and State) that may be available to this "organization" or "government unit".

G. To conduct all necessary public hearings or special town meetings to establish and realize these goals.

This committee is to be composed of: seven (7) voting members and one nonvoting member. There shall be one member of the board from the Board of Selectmen, one member appointed by the Zoning Board, one member appointed by the Planning Board, and four (4) registered voters, at large, appointed by the Selectmen. The nonvoting member shall be the Administrative Assistant from the Town of Northfield, who shall assist with grant research, communication, State contacts and general administration tasks.

It is the intent of this motion to create the necessary framework, using the guidance given by the citizens of Northfield, to establish an organization that will aggressively promote industrial and economic growth within the Town of Northfield. It is further intended that this committee complete their tasks during the 1190 calendar year so as to submit all warrant articles that may need to be drafted for the 1991 Northfield Town Meeting.

Motion passed.

Motion made by Lyle Knowlton and seconded:

I move that the Town of Northfield assist the Tilton-Northfield Recreation Council in obtaining all revenues, grants and/or matching funds that may benefit the Recreation Program. This assistance is to be in the form of applications by the Town of Northfield for Federal/State grants or revenues for, but not limited to, the acquisition of playground equipment, construction site and building funding and office and recreational equipment. These items are to be located within the area designated by Warrant Article 12, as approved. All costs related to the application shall be reimbursed by the Tilton-Northfield Recreation Council. These applications shall be at the discretion of the Northfield Selectmen.

Motion passed.

Motion by John Lacourse and seconded: To see if the Town will grant one day of amnesty for the disposal of all materials listed under the Town Solid Waste Management Ordinance, at no charge to the residents of the Town of Northfield.

Motion passed.

Having no other business, the meeting was adjourned at 1:50 P.M.

Respectfully submitted,

Eliza H. Conde, Clerk

TOWN OF NORTHFIELD, NEW HAMPSHIRE
1991 WARRANT

To the inhabitants of the Town of Northfield, in the County of Merrimack, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Northfield Town Hall the twelfth day of March next at ten o'clock in the forenoon at the Northfield Town Hall to act upon the following subjects:

1. To choose all necessary Town officers and School District officers for the ensuing year.

And on the sixteenth day of March next at ten o'clock in the forenoon at the Tilton/Northfield Fire District Station in Northfield to act upon the following subjects:

2. To see if the Town will vote to raise and appropriate the sum of $80,000 as the Town's portion of the State Department of Transportation's Aid Program for the anticipated costs of reconstruction of Summer Street and to authorize the withdrawal of $40,000 from the Capital Reserve Highway Fund established in 1988 for this purpose, the balance of funds to be raised through taxation.

3. To see if the Town will vote to raise and appropriate the sum of $10,000 for the anticipated costs of engineering fees for the closure of the holding area located behind the Highway Department Garage and to authorize the withdrawal of $10,000 from the Capital Reserve Dump Closure Fund established in 1989 for this purpose.

4. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year and also to accept and expend money from any other

governmental unit or private source to be used for purposes for which the Town may legally appropriate money.

5. To see if the Town will vote to raise and appropriate the sum of $ 1,643,695 which represents the bottom line of the posted budget (MS-7) and pass any vote in relation thereto.

6. INDEPENDENT AUDITOR'S REPORT
CARRI PLODZIK SANDERSON P.A.
193 North Main Street
Concord, NH 03301

To the Members of the Board of Selectmen
Town of Northfield
Northfield, NH

We have audited the accompanying general purpose financial statements of the Town of Northfield and the combining and individual fund financial statements of the Town of Northfield as of and for the year ended December 31, 1989, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Northfield at December 31, 1989, and the results of its operations and the changes in financial position of its nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town of Northfield at December 31, 1989, and the results of its operations and the changes in financial position of its nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles.

SELECTMEN'S ANNUAL REPORT

We would like to take this opportunity to express our gratitude to the Staff at the Town Hall, the Department Heads and all Town Employees. We also want to especially thank the Chairpersons and all of the members of the various Committees and Boards who serve the Town so well without pay. Public Service is a rewarding endeavor. We understand that we annot please all the townspeople but know that our decisions are made with the best interest of the majority at heart.

To highlight some of the projects completed this year: the hydrostudy for the dump closure was completed and we are awaiting a decision from the State Department of Environmental Services for approval of our closure plans. We are continuing to make progress on updating the town tax maps. The first phase of the Vine Street Drainage construction was completed. The following improvements were made to town buildings: a new gas heating system was installed at the Police Station, a new roof placed on the Union Church and the Island Bridge was repaired - a joint effort between Tilton and Northfield. Phase I of the Master Plan has been completed as well as the Capital Improvements Program and Transportation Improvements Program. The Selectmen reached agreement on the Cable TV Franchise with Community TV. The remaining 29 miles of Town should be cabled by Memorial Day 1991. The Selectmen also negotiated a lease with the Tilton-Northfield Recreation Council for use of the land at the Pines for their new recreation building. We have assisted the Recreation Council in applying for various federal grants to offset the construction cost. The Recycling Center is fully operational thanks to the Highway Department employees.

During 1991, we will hold expenditures in response to the down turn in the economy. The Selectmen, Budget Committee and Staff are attuned to keeping expenses at a minimum without curtailing municipal services.

If you would like an opportunity to become more involved in Town government, we have a number of vacancies on the various Town Committees and we encourage your participation.

ANNUAL REPORT OF THE NORTHFIELD POLICE DEPARTMENT

The Northfield Police Department handled 4,500 incidents during 1990. Graphs of the 1990 monthly totals of activity, as well as a yearly comparison for the years 1986 to 1990, follows this report.

The year 1990 has brought about new changes for the Police Department. Sergeant Joseph Corso has been promoted to the rank of Lieutenant, John Curran has left the department and gone to the New Hampshire State Police. We have acquired Jason Sprowl from the Greenland Police Department to become Sergeant and Training Officer. Douglas Trottier, from Northfield, was fired for the sixth position and will be attending the 94th Academy in April. Timothy Lang has taken over as the Department Prosecutor along with his other patrol duties and his work as Explorer advisor to the Tri-Town Explorer Post sponsored by the Northfield, Tilton and Sanbornton Police Departments. Diane Heath, the Administrative Assistant for the Police Department has gone to Florida and Sally Robert has joined us from the Town Hall Staff to replace Diane. Sally Robert has completed the Part-Time Police Officer Academy and received her certification. Members of the Department attended the following schools: Auto-Pistol & Revolver Instructor's School, Applied Law Enforcement Weapon Skills; Basic Detective; Basic Report Writing; Basic Photography; Breath Test Operator's; Court & Legal Training; Child Traumatic Occurrences; Courtroom Survival; FBI Post Critical Incident; Gage Nystagmus/DWI; Handling Officers Involved Shootings; Hazardous Materials Contingency Planning Course; Highway Drug Interdiction School; Issues for Police Chief; Internal Affairs; Property Control;Proactive Traffic Enforcement; Policy Procedures-Creation &

Implementation; S & W Updates for Trainers; Radar Speed Measurement; Warrants & Complaints.

The Towns of Northfield, Tilton and Sanbornton have joined together and formed the N-T-S "CRIME LINE", remain anonymous and call 286-2200. New signs are on order and will be coming in the Spring. Should you have any questions on this please feel free to call either myself or Sergeant Sprowl for additional information. IF YOU SEE A CRIME, REPORT IT.

In closing, I would once again like to take a moment and thank you for continued support and cooperation that we have enjoyed over the years, as many of you continue to be the eyes and ears for your Police Department.

Respectfully Submitted,

Paul M. Leary
Chief of Police

ANNUAL REPORT OF THE ROAD AGENT

1990 began with below normal temperatures causing numerous frozen culvert problems. Then it went to above normal temperatures in the Spring, causing two mud seasons. The one in February and one in April caused extensive mud problems on Town dirt roads. At Town meeting the voters voted to purchase a new backhoe which has been very helpful in the maintenance of the Town's drainage systems, ditch maintenance and Winter maintenance. It is also used at the Recycling area. Summer brought above average rain fall which caused severe ditch line washouts in places like Zion Hill Rd, Stevens Road, Oak Hill Road. Due to this the Town applied for Federal Disaster Funds and received $17,000.

Other projects completed in 1990 were the rebuilding and recycling of part of Shaker Road (State & Town funds). The recycling and rebuilding of 3000 feet of Bay Hill Road and 3200 feet of Hodgdon Road and the paving of 2000 feet of Zion Hill Road. Other projects were the widening and graveling of Bay Hill Ext., seal coating of part of Oak Hill Road, Silver Lane and part of Knowles Pond Road. The paving of 1500 feet of sidewalk on Park Street, from Union School to the bridge. The first phase of the drainage problem on Vine Street was also completed.

Work planned for 1991 are as follows: Recycle and rebuild part of Zion Hill Road (from Peverly Rd to Old Forrest Rd). Widening and reconstruction of part of Stevens Road. Seal coating and shimming the Town's part of Shaker Road. Paving of Bay Hill Ext. Work will also begin on the widening and reconstruction of Summer Street project with State and Town funds. This project will be done over a two year period.

I would like to thank the Town's people for their patience during construction.

Albert E. Cross, Road Agent

WELFARE ADMINISTRATOR'S REPORT

The 1990 Budget for general assistance was $38,700. We issued vouchers to eligible recipients in the amount of $67,808 or 77% over budget. As the economy declines and layoffs increase, more residents are applying for general assistance. In many cases, those who are determined to be "in need" according to the Town Guidelines, are ineligible for other benefits such as unemployment compensation, social security or state welfare programs. The Town is legally obligated to assist these applicants. Another reason for the increase is due to State and Federal budget cuts - those who are eligible for other programs are waiting longer to receive aid. It is not unusual for a household to wait 45 days to receive foodstamps and up to 60 days to receive a state welfare check. The Town is legally obligated to assist during waiting periods. Often the amount received barely covers or doesn't cover the recipient's basic needs forcing the Town to assist on a long term basis. These major factors are contributing to the increase in the Town's welfare expenditures. Currently we assist 20 households per month.

NORTHFIELD SOLID WASTE COMMITTEE REPORT

The Year 1990 was busy constructing our recycling building and glass bins. We would like to thank the residents of Northfield for their participation in the Recycling Program. We sold 88.29 tons of material:

Recycling Revenue	$ 760.00
Cost Avoidance	7,937.00
Fees Collected	3,034.00

We would also like to thank Albert Cross and the Highway Crew for all of their hard work and commitment to making recycling work. We received a $10,000 matching grant from the Governor's Office of Recycling which was used to purchase a bailer and make necessary improvements to the collection area. We encourage you to keep recycling - it saves money through cost avoidance. Each ton of rubbish we take out of the waste stream headed for the incinerator saves $36.00!

Please bring the following to the recycling area which is open Wednesdays from 12:00 noon to 4:00 p.m. and Saturdays from 8:00 a.m. - 4:00 p.m.:

Aluminum beverage cans, tin cans, plastic bottles, clear, green and brown glass, cardboard, newspapers, grocery bags, scrap metal, waste oil, batteries, tires and applicances.

1991 GAT of 110,893 tons = $37.45 per ton

1990 completed our first full year of operations with positive results. We delivered 105,385 tons of trash from our 27 communities at a COOP cost of $36.45 per covering full costs of all operations, including our landfill, plus future expansion and closure funds. While our delivered tons were down in 1990 we expect in 1991 to be much closer, due to operating experience, to our 1991 Guaranteed Annual Tonnage of 110,893 tons. Our operator at the Landfill, J.D. McLeod, continues to function in an exemplary manner and his efforts are greatly appreciated by the COOP. Our tipping fee in 1991 was set at $37.45 and we intend to commence the design and some construction of our Phase II Operations at the Landfill. Once again the communities should be grateful to their COOP Representatives who have given much time and effort since 1985 to pull this project together and to continue it into the coming years.

ANIMAL CONTROL OFFICER

Listed below are the totals for animals taken to the New Hampshire Humane Society.

By Animal Control Officer:
17 Dogs & Puppies 8 Cats & Kittens

By Residents:
10 Dogs & Puppies 28 Cats & Kittens

Non-Domestic Animals: 4

During 1990 I handled 465 calls and complaints.

Residents may take stray animals to the Humane Society Monday through Saturday (9:00 to 5:00) or contact the animal control officer to pick them up.

Unwanted pets will also be accepted from residents, however there is a small fee to cover the cost of housing, while the animal is up for adoption.

The license fees for dogs is $4.50 for a spayed or neutered dog and $7.00 for an unspayed or unneutered dog. All dogs three (3) months and older must be licensed by April 30, 1991. A rabies tag or certificate is required for licensing.

TILTON-NORTHFIELD RECREATION COUNCIL

The year 1990 has been a very successful year for the T-N Recreation Council. Our programs and participation have increased and we feel we are reaching more people. It is our desire to continue this and to expand further. The council has also been very busy with plans for our new community center. This center has been designed to meet the needs of all ages. It is a center which we feel the communities need and can be very proud of.

We have just finished applying for a block grant worth $350,000.00 (grants do not need to be paid back), and letters are going out to various private cooperations and organizations for funding. It has always been the councils desire to build this building with as much private donation as possible. During this time of hard economics we feel this need all the more, and we are searching every possible funding we can.

We would like to thank the residents and taxpayers of Tilton and Northfield who support our programs and to all of the volunteers who dedicate their time and energy to our programs. Thank you to the Town of Northfield for your overwhelming votes to lease the area of the Northfield Pines for the community center.

Thank you to Joyce Johnson, Northfield Administrative Assistant and Northfield Selectmen for all of your help with the lease and the grant applications and for representing your residents votes. The council will continue to serve the people the best way we can. Please feel free to contact me with any questions or comments.

Sincerely,

Steven Hoyt,Chairman

Six classes from the Union-Sanborn School make regular borrowing visits. The summer reading encouragement/story time program served 72 children; many thanks to Doris Ullrick for conducting the summer story hour.

The State Library has supplied us for years with 16 mm. films to show an average of six attending children once per week, but this program was terminated in December by the State; it continues, however, to lend us ten videotapes per month.

Jointly with the Tilton School Library, we enjoyed a program of monthly American short stories this fall. The video presentations were followed by

lively discussions led by Dr. Patrick Anderson of Colby-Sawyer College.

Thursday morning story hour for pre-school children has been held when attendance included at least three children.

We invite craftspeople and others to make use of the library's exhibit case in the foyer, and express appreciation for those who have lent us exhibits. The creative items made by the community's home-schooled children were especially admired by all patrons - thank you for sharing your work.

We were pleased to be visited twice this year by bucket brigades. The Tilton School sent an army of dusters and rakers in the spring, and the Winnisquam Regional Middle School groups, led by Jeff Marvelle, rolled up their sleeves this fall. Thank you very much.

This year we doubled our new book rental contract, enabling us to offer twenty new rented titles a month, in addition to permanent acquisitions.

The holidays were brightened for us by Jean Godbout's lovely Thanksgiving and Christmas wreaths; by the Garden Club's beautiful Christmas wreath; by Mazur's contribution of a Christmas tree; and by the Union-Sanborn students' original, hand-made tree decorations. We appreciated patrons' gifts of books and magazines, as well as monetary donations.

The trustees of the Library paid tribute to Warren B. Hill's long term of service to the Library with a beautiful memorial plaque. The Friends of the Library commissioned Sally Pelletier to create a

beautiful stained glass window over the main entry; thank you for this much admired gift.

We are very grateful for the many devoted hours given to us by our two wonderful volunteers, Jean Wright and Jean Godbout. Their service has been an enormous asset to the library. Special gratitude, too, to Theresa Pucci for her contribution of cross stitched Mother Goose characters that adorn the children's room walls.

Rinske van Epen, Librarian

VISITING NURSE ASSOCIATION OF FRANKLIN, INC.

YOUTH ASSISTANCE PROGRAM REPORT

The Youth Assistance Program of Northfield, Sanbornton and Tilton is a Court Diversion Program for juveniles who are first time offenders and Prevention Program for youths up to the age of eighteen.

This year the Youth Assistance Program actively pursued alternative funding to offset the tax burden to our townspeople. We have received a stipend from the Belknap County Incentive Fund for 1991 and have applied for help from Merrimack County as well. It is the program's intention to pursue county funds in the future, however, there is no assurance that these funds will be available or approved.

As an offshoot of our program, we are preparing to teach a course for youths for the prevention of drug and alcohol abuse. We are pleased to have received a grant from the Governor's Office to pay for this educational program.

A special thanks go to our many volunteers, our board of directors and many friends. We are especially grateful for the cooperative support of our schools, police departments and town officials.

ANNUAL REPORT OF THE ARCH PARK COMMITTEE

The Arch Park Committee was formed by the Selectmen in 1990 for the purpose of encouraging more use of the area. After several meetings the Committee feels that possible projects such as creating a picnic, parking and playground area are in order.

Possible activities to be encouraged are - sliding, concerts, T/N Old Home Day Activities, family reunions, T/N Recreation activities, etc.

We plan to investigate the costs of a parking area, fencing, picnic area, and hope to fund these projects with fund raisers, private donations, and Federal Grant monies.

TILTON/NORTHFIELD OLD HOME DAY COMMITTEE

The 1990 Tilton-Northfield Old Home Day was a big success. The festivities started off at 10 A.M. on June 30 with a gigantic two mile long parade put together by John Keith.

A chicken barbecue was served by the Old Home Day Committee. Games were sponsored by the Tilton-Northfield Recreation council. Children enjoyed riding trick bikes. A variety of booths and foods kept all ages busy throughout the day.

In the early evening came the Tilton-Northfield Fire Department Muster, and the grand finale was a huge fireworks display.

I would like to close by thanking all who made this day fun-filled and enjoyable for everyone.

Finally, I would like to thank the Highway Departments, Police Departments and most of all the entire committee who worked so many hours together to make this one day event such a success.

ANNUAL REPORT
WINNISQUAM AREA VITALIZATION COMMITTEE

The Winnisquam Area Vitalization Committee enjoyed a productive 1990. Despite lacking membership the committee completed several projects that served the Northfield, Tilton, Sanbornton Area:

1. An informative brochure welcoming newcomers and celebrating with area residents points of interest around the three Towns.

2. A craftsperson brochure, advertising Local crafts, mostly home based, and bringing these unique crafts people to a wider market.

3. Sponsored Town Earth Day activities which included kite flying at the Tilton Arch in Northfield and a Native American Pow-Wow Dance at the Tilton Town Hall.

4. Created and produced a unique coloring book which illustrates scenes of our area designed to encourage area appreciation in people of all ages.

5. Sponsored 2nd annual "Summerfair" inn downtown Tilton gathering local crafts people, artists, farmers, musicians, businesses, and organizations, from the three Towns.

6. Sponsored the manufacture of signs for Northfield's Tilton Memorial Arch, aided monetarily by Northfield, to show access to the Arch.

7. We engaged in conversation with Local, State Senators and Representatives on economic issues.

There are many people that have been involved this year and I would like to mention those who have put out extra effort: Dick Smart, Bob Foster, Kris Meinhold, Ken Nash, Jeff McCarthy, Bruce Angus, Mike Blanchard, Bob Clemons, Bill Franks, Bev Thibeault, Marie Mahoney, Mike Baker, Tom Sallatello, members of the T-N Fire Dept., Judy Stewart, Gene Pantzer.

Yours truly,
Bill Lawrence
